

INSPIRE Newsletter 1

"The project Inspire with number 2021-1-FR01-KA220-VET-000034853 was developed as part of the Erasmus+ Strategic Partnership for VET program with a consortium of partners from Belgium, France, Ireland, Portugal and Turkey and the support of the French National Agency. The two-year project aims to pilot 15 young unemployed from each partner country to help them build a network and design a social business model through online learning "

ONLINE PROJECT MANAGEMENT MEETINGS

Project management meetings were held online and ideas were exchanged in these meetings. In the first meeting, the project was introduced to partners by the coordinator partner Association Culturelle Des Jeunes Turcs De Bar Le Duc. The roles of the partners, the intellectual outputs of the project, and the timeline were discussed.

In the second one, the social entrepreneurship process across the partner countries and over Europe the structural, financial and legal difficulties were discussed and addressed.

In the third meeting, a more specific topic, methodological approaches to performing needs for Intellectual Output 1 was debated.

Summative Evaluation
How effective was the process?
What impact did we make?

Which lessons will we carry forward?

- Stakeholder / participant feedback
- · Internal review within the project team

WCRKPLACE INNOVATION
